FARM NOTES

A late spring is in store, if we can see that lawn if decent, you should put 3 pounds of seed to every 1,000 square feet. It is the best time to put in spring seeding, especially if lawn exposes to much shade. Use 80% Germination and 20% Red top by weight in following the seeding mixture. Use 5-10-10 at rate of 500 lbs. per acre.

Onions give lawns an attractive appearance. Control with liquid lead arsenate or tablespoons per gallon of water. Apply when wind is not blowing. Also exercise care near onions with annual flowers.

Many growers are beginning to see alfalfa dend. This is the result of occurrence in the soil of a disease called Crown-Stem Rot. The greatest incidence is found following wet weather. There is more likelihood of other than a good stand of high quality seed.

Notice To Wool Growers

Growers who sold wool during the 1959 marketing season which ended March 31, are reminded that Monday, May 2, is the final date for filing applications for payment under the national wool program.

C. D. Lewis, chairman of the Appomattox County Agricultural Stabilization and Conservation Committee, said that many applications have already been filed but he believed that some wool and lambs sold have not been reported. Early filing of applications is desirable, he explained, because information on the applications is needed for computing the average price received by growers. This is needed in computing the payment rates for shorn wool and unshorn lambs.

Applications being filed at this time must show sales during the period between April 1, 1959 and March 31, 1960. For a sale to have been completed during that period, title must have passed to the buyer, the wool must have been delivered, and sales slips to determine the net sales proceeds must be available.

Under the wool program, payments are made to growers as an incentive to increase wool production. The payment rate is the percentage necessary to bring the national average price received by growers up to the incentive level of 62 cents a pound. Under this system, the grower who receives the highest price for his wool also receives the largest incentive payment.

YOUNG ADULT CLASS

The Young Adult Class of Mt. Comfort Church will hold its regular meeting in the home of Mr. and Mrs. R. C. Lewis on Saturday night, April 23, at 7:30.

Pamplin Ruritans

The Pamplin Ruritan Club is sponsoring an "Aunt Jamima Pancake Supper" on Friday night, April 22. The supper will be held in the Pamplin school cafeteria, beginning at 6 P. M. The word is "all you can eat for one dollar." Children will be charged fifty cents.

The Pamplin Ruritan Club also plans to hold a "Talent Show" in the near future. Anyone interested in appearing in the talent show is requested to notify a member of the finance committee of the club. They are: Mr. Ed. Harvey, Mr. David Covington, and Mr. Jim Williams. There will be several prizes awarded to those judged tops in the talent show. These will be announced a little later.

MRS. THOMPSON CLUB SPEAKER

"Table Settings" will be the subject of a lecture - demonstration given by Mrs. N. Weldon Thompson, Lynchburg, at the regular meeting of the Garden Club on Monday, April 25, at 8 P. M., at the Elementary School cafeteria. All members of the Junior Woman's Club are invited guests for this meeting.

Garden Club members are requested to bring a table floral arrangement of any of the following types: breakfast, luncheon, dinner, patio.

Dr. Kalison Speaker

Dr. S. L. Kalison, Extension Veterinarian, from V. P. I., will meet with Pamplin area farmers on Thursday night, April 28. Dr. Kalison will discuss "Mastitis Prevention and Control." This meeting, sponsored cooperatively by the County Agent's office, the Pamplin Ruritan Club, and the County Vocational Agriculture Department, will be held in the Pamplin School at 7:30 P. M., next Thursday night.

Mastitis is a diseased condition of cattle with which all dairymen are faced at one time or another. It is estimated that the annual loss to Virginia dairymen from mastitis is 5 million dollars. Mastitis is a problem to all farmers who have cattle. That is why the above groups are sponsoring this meeting. They hope, by this means to throw more light on the prevention and control of the mastitis problem. All farmers who raise cattle in this area are urged to attend this meeting on mastitis.

SAVINGS BOND SALES

Appomattox County had a sale of $2,418.75 in U. S. Savings Bonds in March. This brought the total sales for 1960 in this county to $20,934.40, or 21 per cent of the 1960 quota of $100,000. J. Garland Plunkett is chairman for U. S. Savings Bond sales in Appomattox County.

Mrs. Brightwell's 4-H Club

Mrs. Brightwell's 4-H Club met Thursday, April 14. Mr. James A. Smith discussed the 4-H Camp in July, 11 to 14. We have to have 25 insects if we want to go to camp. A movie was shown about the Spittlebug.

Seek Interest To Organize A Golf Club

A movement is gaining momentum here to organize a Golf Club for Appomattox and vicinity. Local sportsmen have expressed interest in the project. Local golfers have had to travel to Lynchburg or other area golf courses, but now hope that a nine-hole course can bet set up here.

In the early 1930's, Appomattox had a golf course on what is still called the "CCC" site on Route 24. Later, a larger course was set up on the Ferguson "Brick House" site between Route 460 and the N&W Railway. However, the club was disbanded many years ago.

It now appears that there is a possibility for this former site to become available. At least, that is the hope of local golfers.

No official committee or organization has been formed, but it is rugested that any and all interested in forming a golf club here get in touch with Mayor C. T. Moses Jr., Dr. S. R. Lawson, or Billy Conner. If enough interest is shown, an organization may be formed and efforts made to form a club.

EVERGREEN RURITANS PRESENT MINSTREL

The Evergreen Ruritan Club met on Friday night, April 15, at Evergreen School. Seventeen regular members and three visitors were present. The guests included Elmo Baldwin, Bennie Paris and John Freeman, from the Madison Heights Ruritan Club. Reports were given by the various committees, and final plans were made for the minstrel to be held on April 29, at the Appomattox High School auditorium. This minstrel is being presented by the Madison Heights Ruritan Club and sponsored by the Evergreen Ruritan Club.

Supper for the club was furnished by the Evergreen 4-H Club.

SPECIAL SPEAKER AT HIGH SCHOOL PTA

Dr. Don Long, with the Agricultural Economics Department at V. P. I., will be the guest speaker at Appomattox High School P.-T. A. meeting on Tuesday, April 26, at 8:00 P. M. Dr. Long's field deals with "Agribusiness," new term in agriculture to many people. He will show where the consumer's food dollar goes and what a small part is received by the producer. He will also discuss the unfavorable position the small farmer finds himself in today. The public is invited to attend and hear this interesting discussion.

Future Homemakers

The Campbell - Appomattox Federation Future Homemakers of America was held at A. H. S., April 8, 1960. The theme was: Future Homemakers make Campbell-Appomattox Homes Beautiful and Safe. The devotions were given by Brookville Chapter. Mr. Grant Rush, principal of Appomattox High School, gave the welcome, with response by Rustburg. The Federation had as the guest speaker, Mr. Thomas L. Clark, Director of Interior Decorating Studio, Miller & Rhoads, Richmond. After the guest speaker, there was the installation of new officers.

OUCH!

It all started back before World War I when some scientists with the Department of Agriculture were experimenting with the cross-breeding of various shrubs and plants. One day they crossed a hyacinth with spreading yaxus, and they got a creeping, virulent, evil growth that now infests the whole government —hya-ta-xus.

To Improve Local Town Ball Park

Work will begin at once on an improvement program at the Appomattox Town Ball Park. With about $2,000 available, the park will be modernized by the Appomattox Ball Park Improvement Association. The plans call for:

1. Removal of the present outdated stands and bleechers.
2. Use of new bleechers, of the movable type, each able to seat 40 or more spectators.
3. Preparations to accomodate the Horse Show scheduled here for May 28.
4. Installation of toilet facilities.
5. Preparations for the approaching softball season.
6. Replacing the aged wooden fence with a modern wire fence.

Organization of the softball league is now in progress. So far four teams are assured: Appomattox Garment Company, Oakville, Guill's Esso, and Stonewall. Two additional teams are sought.

Fred H. Lawson and Bobby Mitchell are the Ball Park Improvement Association officials, and they would be glad to hear from teams or prospective players in the softball league.

News Report Of Town Mayor

To the Citizens of
The Town of Appomattox:
—The regular meeting of the Town Council was held on Monday, April 18, at 7:30 P. M., in the Town Office. The regular order of business was transacted.

A committee representing the "Appomattox Ball Park Improvement Association" appeared before the Council and requested that the Town match $1,000 that the Ball Park Improvement Association is spending and that the total of $2,000 go toward the improvement of the Town Ball Park. The Council voted to do this and the project should be underway in the immediate future. One of the first improvements will be Rest Room facilities.

I want to take this opportunity to congratulate the Ball Park Improvement Association for their splendid work, for I feel sure that the recreational facilities mean a lot to all of our town and county citizens.

The Ordinance Committee met last week with the Jaycees, and decided exactly what information the town needs in order to complete that survey concerning Zoning Ordinances. Mrs. Calvin Robinson, the chairman, of the Ordinance Committee, has turned over to the Jaycees the Survey Forms with a full explanation. I plead with all of you fine citizens to give the Jaycees your full cooperation when they begin this survey, which will be in the very near future.

It feels and looks like Spring has finally arrived. I certainly hope that we all can get an early start on our "Spring Clean-Up" and "Paint Up" campaign. I can assure you that your town officials and employees are going to help in every way they can. Let's everyone exert our efforts toward making Appomattox "The Cleanest and Neatest" Town in the State of Virginia.

Your counsel and advise on all public matters is welcomed at all times.

Sincerely,
C. T. Moses, Jr.
Mayor, Town of Appomattox.
